PROFILE ECOADAIX GROUP

## Profile Ecoadaix Group

We are looking for a **partner and collaborator** to be a commercial director. This person must actively participate in the expansion of our efficient construction systems and natural pools.

To join you must have a **minimum capital of € 40,000**, this amount corresponds to the purchase of shares in our company and from this moment becomes a shareholder.

This job requires a **person with great commercial, management** and organizational capacity. Want to get involved in the expansion of new systems, both efficient construction, and natural pools.

A serious, reliable, **professional and innovative person**, both to the end customer, to develop and expand the business model in a franchise concept.

To **market homes and swimming pools** benefiting from significant support with the Adaix real estate network.

Our concept is fully prepared for a strong expansion and from the first moment you receive a complete training.

The performance of the functions must be carried out in the offices of **Torre Vieja (Alicante) Spain**, where our group helps in everything necessary (documents, procedures, housing, etc.).

### Functions:

- Design and implement the strategic plan in collaboration with the CEO and the team.
- Analyze the actions and evaluate their return.
- Develop and supervise a team.
- Coordinate the relationship and negotiation of commercial agreements.
- Analyze sales data to improve the results of accounts and projects.
- Carry out the expansion of the franchise in the national sphere.

**Requirements:**

- Experience in sale.
- Experience in customer management and advice.
- Advanced knowledge of office automation and Internet

**Experience in the world of construction is valued..**

**Aptitudes:**

- Person responsible and on their own initiative.
- Communication and negotiation skills.
- Ability to analyze data and reports

**Other requirements::**

- Languages are valued: English or French...

**We offer:**

- Immediate incorporation.
- Gross annual salary: € 15,000 to € 20,000
- + Sales Commissions
- + Dividends.
- Location: Torrevieja (Alicante) Sapin

We offer a platform already in operation to implement new business concepts. Also have shares in our society.

If you have enough capital to invest and that meets the requirements, do not hesitate to fill out the form to evaluate your application.
